Ref. No: EA: 2.31/36

Date: 05/02/2020

To

The CMD/PSTCL,
Patiala.

Subt: Re-appointment of Engineers.

Respected Madam,

It has come to our notice that a proposal to re-appoint a retired Add. Superintending Engineer against cadre post is being processed in PSTCL. It might have been presented that the said engineer has a lot of experience on a particular post and there is no substitute for him/her.

Madam, PSEB Engineers' Association is of the firm view that no person is indispensable and Punjab Power sector has necessary and sufficient talent to complete any job. Further, in case right substitute is not immediately available for one individual officer, then this reflects on the controlling officers who knew the date of retirement of the said officer before hand and did not look for training alternatives or this might have been done deliberately to justify the extension due to some vested interest.

There is a lot of resentment in the cadre against such extension and Association demands that the proposal if any be scraped immediately.

(General Secretary)
